Other requirements/guidelines	<p>A project proposal cannot be similar, in whole or in part, to another proposal submitted for a call currently being evaluated by ANR (all calls for proposals and evaluation stages considered) or already funded by ANR. Similarity between two projects is established when these projects (in whole or in part) describe identical main objectives or are the result of a simple adaptation.</p> <p>Companies with economic difficulties are excluded from ANR subventions. Partners from countries subject to sanctions applicable to the research field by the European Union authorities are excluded from this call for ANR. ANR will declare Partners requesting its support ineligible if they apply with Partners established in these countries. At the date of publication, these exclusions concern Partners from the following countries: Russia, Belarus. This list may evolve in case of new sanctions decided by the European Union.</p> <p>It is highly recommended to contact the national contacts during the preparation of the project.</p> <p>Depending on the consortium composition, a Consortium Agreement may be mandatory for ANR at the funding stage for successful applications. Please refer to the ANR funding regulations for more details: <a href="https://anr.fr/fr/rf/">https://anr.fr/fr/rf/</a></p>
