National/regional requirements and guidelines on proposals

Call Modules and topics	<p>The following Call Modules only are eligible for funding from Research Ireland:</p> <ul style="list-style-type: none"> • CM2025-02: Energy system flexibility, renewables production, storage and system integration • CM2025-03A: Advanced renewable energy (RE) technologies for power production (ROA) • CM2025-04: Carbon capture, utilisation and storage (CCUS) • CM2025-05: Hydrogen and renewable fuels <p>Pre-proposals received to other call modules not listed above will be deemed ineligible.</p>
Proposal submission	<p>Applicants must notify Research Ireland in advance of proposal submission. More details can be found on Research Ireland’s CET 2025 call webpage: https://www.researchireland.ie/funding/</p>
Project Consortium Partners	<p>Only an academic partner or coordinator based in an eligible Irish Host Research body may apply for Research Ireland funding.</p> <p>Please refer to Research Ireland’s Policies and Guidance for the list of eligible Research Performing Organisations: Eligibility Information</p>

	<ul style="list-style-type: none"> • Research Ireland will only accept one pre-proposal application per individual applicant. • Applicants can apply to both Research Ireland and other participating Irish agencies with different project proposals, if eligible under each agency’s own rules. An applicant is not permitted to request funding from more than one participating Irish agency for the same pre-proposal. • If two or more Ireland-based applicants are partners on the same pre-proposal planning to carry out distinct work, funding can be requested separately by each partner to different participating agencies, adhering to each agency’s own rules and requirements. Please note Research Ireland will fund only one partner per proposal. <p>For applicant eligibility, please refer to Research Ireland’s CETPartnership 2025 call webpage for more information: https://www.researchireland.ie/funding/</p>																												
Project duration	Up to 36 months																												
Project budget	<p>Up to €330,000 direct costs for Irish-based researchers applying as a project partner</p> <p>Up to €405,000 direct costs for Irish-based researchers applying as a project coordinator</p>
